

ABOUT THE COMPANY

Based in INDIA, we are a dynamic firm bridging the gap between Indian manufacturers and the global market. We specialize in sourcing high-quality products, ensuring rigorous quality compliance, and managing end-to-end logistics to deliver excellence to our international clients.

PRODUCT PORTFOLIO

Automotive Parts

OEM & Aftermarket spare parts, engine components, and body kits for global vehicle models.

Oils & Lubricants

High-performance industrial and automotive lubricants meeting international viscosity standards.

Agricultural Produce

Freshly sourced grains, spices, and organic produce directly from certified Indian farms.

Frozen Foods

Ready-to-cook and preserved foods processed under strict hygiene and temperature controls.
